OUR COVENANT

To the Glory of the Living God, Triune and loving, we unite as God’s willing servants to live the confession: Jesus Christ is Lord, there is no other faith foundation than His love and life.

It shall be our aim to share the love of Christ by bringing:
Joy to little children
High ideals to youth
Direction to young adults
Inspiration and fellowship to men and women in the midst of life
Comfort and support to those in life’s later years

Our fellowship welcomes all persons seeking to follow Jesus Christ and willing to grow in our common purpose
To do justly,
Love kindness,
Walk humbly with our God.
It is our ideal to move in the upward call of God in Jesus. Being thus led by the Holy Spirit, we strive to serve the world we touch, recognizing each person as a child of God

ASSOCIATE MINISTER

Christ Community Reformed Church in Clifton Park, New York, is looking for a second full-time, ordained and installed minister. We seek an energetic, committed and creative person with deep faith, who embraces practices and values by which CCRC lives. These include: liturgical, structured worship service, and a welcoming congregation which celebrates diversity.
We seek an individual with the ability to nurture relationships across generational lines; and to recruit, train, equip and support strong lay leadership for ministry. The candidate will be involved in all aspects of ministry with a particular focus on providing theological guidance and pastoral care to families and youth. We seek a person who will bring vigor, excitement, and expertise to a ministry for intergenerational programs. Examples of such programs would include: “Friends in Faith” and “Sticky Faith.” Friends in Faith partners a caring adult with a youth to encourage cross-generational support and encouragement. Sticky Faith involves all generations in aspects of worship and church life, including committee memberships, hopefully “sticking” their faith to our youth as they mature.

**FULL-TIME ORDAINED INSTALLED ASSOCIATE MINISTER**

The Associate Minister embodies our church values: theology and faith, honesty, approachability, strong work ethic, effective preaching, and the ability to relate to our youth. He or she will conduct worship, lead youth and children, and oversee current cross-generational programs and help us identify and develop more opportunities to integrate all generations in our community. The Associate Minister in partnership with the Senior Minister will determine responsibilities for our Elementary and High School youth Groups.

**WORSHIP:**

The Associate Minister will be responsible for preaching according to a schedule agreed upon with the Senior Minister. Participating in weekly worship service and coordinating participation of youth and children is an important responsibility as well.

**FAMILY & YOUTH MINISTRY:**

Maintain and develop creative ministries to build and support relationships among and with church families. Minister to young people struggling with current issues, using modern communications, while cooperating with parents and maintaining a focus on Word and Sacrament. Help youth learn to live their faith values in everyday life.

**COMMUNITY AND GREATER CHURCH:**

Be available to engage in ministries that meet community needs, including serving on boards, agencies, and programs of the RCA and the ecumenical church. Undertake such additional assignments as may be determined by the Senior minister or Consistory.
